

Pure Positioning AB will be OTC traded on beQuoted's OTC list

Pure Positioning AB will be OTC traded on beQuoted's OTC list.

Pure Positioning AB will be OTC traded on beQuoted's OTC list and commence trading on 2 September 2024.

Pure Positioning's shares are registered with Euroclear under the ISIN code SE0009696040 and will be listed with the ticker symbol PPAB on the OTC list (www.otclistan.se). There are 320,000,000 issued shares and the currency is SEK.

To trade shares, investors should contact the bank where they hold their securities account. The bank will then seek out another investor or bank willing to transact. If possible, the transaction can be executed directly; otherwise, interest is communicated to other banks. In the case of a successful transaction, the securities account is updated. Please note that this is a general description, and each bank has its procedures for assisting clients.

About Pure Positioning AB

Pure Positioning is a Swedish technology group founded in 2016 that operates through its wholly owned independent subsidiaries.

The group's subsidiaries offers leading products and specialist competences and operate within specific technology niches in industries already having a substantial foot-print and set to grow substantially in the future. Pure Positioning's strategy is based on active ownership, optimization of the subsidiaries' operations and growth through acquisitions.

The board of directors are actively pursuing its acquisition model with focus on technology and energy related opportunities to back up and expand the business of subsidiaries already acquired. The Company currently owns software platforms and several patents, software- and modelling solutions in the geoenergy industry.
