About EyeonGroup

Eyeon Group AB (publ) was founded in 2015 and is a SaaS provider that, through proprietary technology for collecting, analyzing and packaging data, develops and sells smart solutions that make life on the internet easier and safer for people, companies and organizations. The company provides business solutions within IT security, privacy protection services and AI-based data solutions. These are primarily aimed at the B2B market in Europe for industries such as e.g. banking, insurance, telecom and hosting.
