## Urb-it appoints a new Group Finance Manager

Kristian Hansen, who has served as Interim CFO since May 2023, will be concluding his successful 6-month assignment with Urb-it. During his tenure, Kristian has played a crucial role in steering the company's financial direction, and his contributions have been invaluable.

Effective immediately, the daily responsibilities will be assumed by Benjamin Feld. Benjamin brings a wealth of experience in finance, having almost accumulated a decade of expertise in various finance roles at organizations such as Lidl Sverige and Arvid Nordquist. Benjamin joined Urb-it in April 2022, and his deep knowledge of the company's operations and financial landscape makes him the ideal candidate to lead Urb-it's finance department into the future.

Kevin Kviblad, CEO of Urb-it said:

*"On behalf of Urb-it, we extend our heartfelt gratitude to Kristian for his invaluable contributions, and we wish him every success in his future endeavours. We are excited to welcome Benjamin as our new Group Finance Manager and firmly believe that his experience and expertise will play an important role in our ongoing growth and evolution across our European markets."*
