About MTI Investment AB

MTI Investment is an Africa-focused investment company that takes an active ownership role in high-quality small and medium enterprises. MTI invests in businesses that capitalize on Africa's major growth trends: a rapidly expanding middle class, increasing urbanization, and greater food security. The purpose-driven approach guides MTI to invest in companies where financial returns for shareholders go hand-in-hand with sustainable job creation and long-term economic growth. The company operates two distinct investment strategies: a growth portfolio for building pre-seed stage businesses into profitable ventures and an investment portfolio containing mature, cash-flow-positive companies.

The MTI Investment share (MTI) is traded on the Nasdaq First North Growth Market.

Certified Adviser to MTI Investment is Mangold Fondkommission AB.
