A recorded version of the presentation will also be available on the Company's website www.arcticminerals.se/en/media.

On May 27, 2025 Arctic Minerals presented an exploration update on the Hennes Bay copper-silver project. The Company believes there is immense resource growth and exploration potential beyond the initial Mineral Resource Estimate. The 'Starter' Resource totalling 447,000t of contained copper and 37Moz of silver is considered just the beginning. Arctic Minerals now plans for an initial resource growth and exploration work program in 2025.

The latest exploration update, the full report on the Maiden Mineral Resource and the corporate presentation of Arctic Minerals is available on the Company's website at <https://investor.arcticminerals.se/en/presentations/>.
