

## PRESS RELEASE

Stockholm, 13 March 2025

### **Amplio partners with SRI, a leading specialist within personnel security and regulatory compliance in Sweden**

Amplio has entered into an agreement to partner with SR Intelligence AB (“SRI”) to develop and support the company in its next growth phase. Amplio will acquire a majority shareholding while the operating founder and co-owners will retain a significant shareholding and remain in their respective management roles.

SRI, based in Stockholm with c. 35 skilled employees, is a leading and digitally enabled provider of mission-critical personnel security solutions in Sweden, helping customers to navigate the pre-and post-hire market complexities of regulatory compliance and security requirements. The company provides background checks, security consultancy, data storage and value-adding ancillary services to a broad range of customers, leveraging its own developed digital portal and data storage platform that serve as the core of its offering. Since its founding in 2017, SRI has experienced significant growth and achieved a revenue CAGR of 30% in the last three years on the back of strong demand for its services and excellent customer relationships.

*“We are very happy to welcome Amplio as a partner and to collaborate in our next expansion phase. We are convinced that Amplio’s extensive experience and expertise in building successful companies together with entrepreneurs will help us to reach our vision of becoming the leading provider of digitally enabled personnel security and regulatory compliance solutions with the market’s most satisfied customers and employees”,* says Anders Selvehed, CEO of SRI.

*“SRI has taken a strong position within an attractive and fast-growing market driven by increasing security regulations and awareness, geopolitical tensions as well as digitalisation. The investment has an excellent fit with our strategy and we are honoured that SRI has chosen to partner with Amplio to support the company’s continued development together with the employees and management team”,* says Johan Möllerström, Partner at Amplio Private Equity.
