

DICOT

Dicot's website in English

News: Uppsala, June 16, 2020. Dicot AB announces that the company has launched an English version of the website www.dicot.se, a step forward to reach the international market.

"Dicot wants to position itself as an international company in the area of men's sexual dysfunction. For the future development of our drug candidate, we want to work more internationally as our long-term goal is to establish Libiguin® as a global product against erectile dysfunction and premature ejaculation." says Göran Beijer CEO at Dicot.
