Annhem Fastigheter participated in Nasdaq's Green Equity Capital Markets Day

Annhem Fastigheter participated in the second edition of Nasdaq's Green Equity Capital Markets Day on 7 November 2023. During the presentation, the company's CEO, Monica Fallenius, and Head of Sustainability, Christin Hertzberg, presented Annhem's business and sustainability work.

In May 2022, Annhem Fastigheter was one of the first real estate companies to list its shares as Nasdaq Green Equity Designation, which among other things means, that more than 50 percent of the company's sales are derived from green activities. As of December 31, 2022, 74 percent of Annhem's revenue was green.

Annhem's presentation from the day is now available here: <https://nasdaq.videosync.fi/green-equity-2023-annhem-fastigheter>

About Nasdaq Green Designations

Nasdaq Green Designations supports listed companies in Nasdaq's European markets with their green business models and strategies. The purpose of the label is to increase the visibility and transparency of companies seeking sustainable investments. The label is also available to privately held companies that want to take advantage of the award before a possible IPO.
