

Wyld Networks enters into a loan agreement of approximately SEK 4.3 million to provide working capital and to fund ongoing production and delivery of product to customers

Today, December 31, 2024, Wyld Networks AB ("Wyld Networks" or the "Company") has entered into a loan agreement regarding a loan of approximately SEK 4.3 million.

The Company has today entered into a loan agreement with Olsen Fond & Försäkring AB (the "**Lender**") regarding a loan of approximately SEK 4.3 million. The loan has a set-up fee of 6.0 percent and carries a monthly interest rate of 2.0 percent. The loan matures on September 1, 2025. However, the Company has the right to repay the loan in advance. The loan will provide the Company with working capital and to fund the ongoing production and delivery of product to the Company's customers.

The Lender can provide further funding should the Company require additional working capital.
