

PRESS RELEASE

H&D Wireless Strengthens Board with Mr Johan P Schlyter

Stockholm September 12th 2018 - The Board of Directors of Nasdaq First North-listed H&D Wireless has appointed Johan P Schlyter as Adjunct to the board. The Board's intention is to suggest Mr Schlyter to be selected as an ordinary member at the AGM 2019.

Mr Johan P Schlyter has extensive experience from leading positions within the automotive industry. During 2015-2017 he worked in the management of the German vehicle manufacturer MAN, as Global Responsible for the group's own dealer and service network. During 2012-2015 he was the President and chief executive officer of the Swedish machine manufacturer Ålö. Mr Schlyter previously worked at Scania for 26 Years, including as Senior Vice President for Latin America Asia, Southern Africa and Australia and CEO For Scania's company in Germany and Austria.

” With his international experience from the industry and deep understanding of our main target market Mr. Schlyter has very much to add to H&D Wireless. He combines a commercial and customer-oriented thinking with a strong focus on creating value for the shareholders”, says Pär, Founder and CEO of H&D Wireless.

The information was provided, through the contact person Publication 08:00 CET on September 12th, 2018.
