

Announcement

SMART VALOR AG, Switzerland

6 June 2023

SMART VALOR lands on the iOS store for all Swiss customers.

Digital asset exchange SMART VALOR launches its iOS app, one month after launching its flagship android app.

From 6 June 2023, Apple customers in Switzerland can download SMART VALOR's highly anticipated iOS app from the Apple store. The iOS app brings all the benefits from one of Europe's most trusted crypto web platforms to Helvetic iPhones.

App highlights include:

- **Buying crypto on the go**
- **Institutional grade security**
- **The benefits of a regulated crypto exchange**
- **An integrated wallet with built-in security**
- **An effortless smartphone only verification**

Olga Feldmeier, Board chair and Co-founder: “We are proud to finally offer the iPhone community mobile crypto trading with all the security and efficiency advantages of our trusted SMART VALOR web platform. Our Android app has received a lot of positive feedback from the crypto community and we are happy to finally be able to also welcome iPhone users. More and more people want to trade on the go – and that also includes iPhone users. The SMART VALOR iOS app is our answer to this demand.

About SMART VALOR

SMART VALOR is a Swiss company that became the first European digital asset exchange listed on Nasdaq First North. The company’s mission is to provide a trusted gateway to blockchain technology for investors and institutions. On the B2C side, it operates a retail digital asset exchange, custody, and asset management. On the B2B side, the company works with banks and fintech companies offering its technology as a white-label Crypto-as-a-Service solution. SMART VALOR was one of the first crypto companies to receive financial intermediary status in Switzerland and to be registered as an exchange and token custodian under the Blockchain Act of Liechtenstein.
