Raytelligence receives call-off order from Careteq, Australia

Raytelligence receives an order with an order value of approximately USD 23,000 from Careteq, Australia, which is a call of a previously communicated call order of USD 150,000.

“The order is the first for the American market and we see great potential in the future. This is good proof that our partner strategy works,” says Klas Arvidson, CEO of Raytelligence.
