Om Move About Group AB

Move About offers app-based, environmentally friendly and cost-effective mobility solutions to individuals as well as companies, municipalities and organizations. The company has developed and owns all intellectual property rights to its cloud-based greentech platform that provides digital access to electric cars, electric bicycles, taxis, metro and parking via one and the same app - around the clock. Every kilometer that the user travels with the electric cars through the platform reduces CO2 emissions. The company's comprehensive mobility solution is based on the Move About app, which gives the user access to the Company's pools of electric cars, electric bikes and electric scooters. Move About also helps companies, municipalities and organizations optimize their fleets by tailoring mobility solutions as needed. Move About was founded in Oslo, Norway in 2007 and today has over 58,500 users on its platform and over 730 electric cars in its fleet with a presence in Sweden, Norway and Germany.
