## **PRESS RELEASE**

### **SDS brings forward the report for the second quarter report to August 10 and the third quarter report to November 13**

Seamless Distribution Systems AB (SDS) has recently been spun off from Seamless Distribution AB (SDAB) and is traded on Nasdaq First North Premier since July 21. As of June 30, SDS was still a wholly-owned subsidiary of SDAB, why SDS will be included in the SDAB Group's accounts in the report for the second quarter of 2017, which SDAB will publish on August 10. SDS will publish a report for the SDS Group, and will therefore bring forward the date of publication of the report for the second quarter one day until August 10, instead of August 11, to coordinate the information publication with SDAB.

SDAB currently owns over 20% of the shares in SDS. For the third quarter, SDAB will therefore report its share in SDS earnings. As this is market sensitive information for both companies, SDS will bring forward its report for the third quarter to November 13, instead of November 22.
