* The production numbers above for Komi and Ukraine for 2015 have been recalculated compared to what has been disclosed earlier. In the table above the production for 2015 has been divided by 365 days whereas it previously was divided by the actual number of days that the operations were owned by Petrosibir.

Petrosibir owns 100% of the Russian company Ingeo Holding, which holds a production license in Bashkiria. Petrosibir also owns 49% of the Cypriot company Ripiano, whose wholly owned Russian subsidiaries hold three production licenses in Komi. Bashkiria and Komi are federal subjects of the Russian Federation.
