SELATEK acquires Järfälla Låsservice

SELATEK strengthens its offering within security solutions by acquiring Järfälla Låsservice, a well-established Company providing lock and security systems with a strong presence in the Stockholm region. The Company has been operating since 1969 and offers a wide range of services including consultation, project management, service, manufacturing and installation of mechanical and electronic security locks as well as access control solutions.

Järfälla Låsservice has revenues of around SEK 20m and employs seven dedicated people. The current owner and CEO will continue in his operational role and remain as shareholder within the Group.

"We are very pleased to welcome Järfälla Låsservice to the SELATEK family. Their expertise and broad range of services within locks will complement and strengthen our existing offering. Järfälla Låsservice already has an established collaboration with Newsafe, which we look forward to further developing and strengthening together with the other companies in the Group." says Magnus Löfgren, CEO of SELATEK.

"It feels very exciting to become part of SELATEK. As a company, we will continue to build on our strong culture, while gaining access to resources and synergies in a larger group. Together with our new colleagues, we look forward to developing our service offering and delivering higher value to our customers." says Anders Överström, CEO of Järfälla Låsservice.
