

Qbrick Signs Agreement with Apoteket

Qbrick AB (publ), a leading provider of secure video services in the Nordics, has signed an agreement with Apoteket AB, Sweden's largest pharmacy chain. The agreement covers access to Qbrick's video platform.

Qbrick AB, a leading provider of secure video solutions in the Nordics, has signed an agreement with Apoteket AB, Sweden's largest pharmacy chain, for the delivery of Qbrick's secure video platform and services.

The agreement represents an important step in Qbrick's continued expansion as the trusted provider of secure video communication for some of the most respected organizations in Sweden and the Nordics.

The collaboration further strengthens Qbrick's position within healthcare, the public sector, and the enterprise market, where secure and regulatory-compliant video communication is essential.

Krister Karjalainen, CEO of Qbrick AB, comments:

"We are very proud that Apoteket has chosen us as a partner. Security, reliability and user-friendliness are core values for both Qbrick and Apoteket. This agreement shows that our solutions meet the very high demands set by leading players in the healthcare sector."

About Qbrick

Qbrick AB (publ) is a Swedish company founded in 1999 that provides SaaS-based software solutions in video and film production for companies, governments and the gaming industry. The company delivers a cloud-based technology platform with which customers can create, edit, store and distribute live video and pre-recorded video clips using AI. Qbrick also develops interactive services where viewers can engage in broadcasts such as video shopping, live events or financial company communications. The company's video platform currently generates monthly revenue from approximately 100 corporate customers. Qbrick currently has wholly-owned subsidiaries with operations in Sweden, Norway, Denmark and Finland. The head office is located in Stockholm. Qbrick's shares are listed on NGM Nordic SME.
