Unibap receives follow-on order for SpaceCloud in a satellite constellation

Unibap AB (publ) has received a follow-on order of KUSD 298 for spaceflight products and support from the SpaceCloud product portfolio. This order is the second part within a signed agreement with a total value of MUSD 1.98, covering deliveries in 2022 and 2023, (see press release from June 3, 2021).

- We are very pleased to enter into the second year of this on-going project. We proceed according to plan within the scope of the current agreement with our Israeli customer, says Lena W Jansson, acting CEO at Unibap
