

INVESTING IN THE WINNERS OF TOMORROW

## PRESS RELEASE

Stockholm, 7 March 2024

## Francks Kylindustri continues the expansion in Denmark through the acquisition of NH3 Kølegruppen

Francks Kylindustri strengthens the position in Denmark through the acquisition of NH3 Kølegruppen. Founded in 2001 and headquartered in Hanstholm, NH3 Kølegruppen specialises in installation and service of cooling systems and heat pumps. The current owners will remain operational in the company.

"We are happy to welcome NH3 to Francks Kylindustri. NH3 will add valuable competence, experience, and capacity as well as strengthen Franck's presence on Jutland. It is very exciting to continue the future journey together when we now further expand our platform in Denmark." says Magnus Detterholm, CEO of Francks Kylindustri.

*"We are looking forward to becoming a part of Fracks and to leverage our joint base of expertise, experience, and synergies to accelerate our growth in the expansive Jutland region"* says Bent Boesen & Magnus Kamstrup, Owners of NH3.

Francks Kylindustri is the leading Nordic industrial and commercial cooling specialist with 45+ offices and ~575 employees across Sweden, Norway and Denmark.
