

AAC Clyde Space releases second issue of its SPAACE TALK newsletter

2021-12-17 AAC Clyde Space AB (publ)

Leading New Space company AAC Clyde Space has published the second issue of its group-wide newsletter, SPAACE TALK.

This time, the newsletter presents how the group plans to contribute to a sustainable development on Earth, through its space products and services, plans for its African operations, an interview with AAC Omnisys Anders Emrich as well as a letter from the desk of CEO Luis Gomes. The newsletter can be found on AAC Clyde Space website under News & Insights or at the following link: https://www.aac-clyde.space/wp-content/uploads/2021/12/AAC-SPAACE-TALK_Issue2.pdf

SPAACE TALK is published a few times a year, rounding up the latest news from across the Group, but also exploring the most exciting themes in New Space.

ABOUT AAC CLYDE SPACE

AAC Clyde Space specialises in small satellite technologies and services that enable businesses, governments and educational organisations to access high-quality, timely data from space. Its growing capabilities bring together three divisions:

Space Data as a Service – delivering data from space directly to customers

Space missions – turnkey solutions that empower customers to streamline their space missions

Space products and components – a full range of off-the-shelf and tailor-made subsystems, components and sensors

AAC Clyde Space aims to become a world leader in commercial small satellites and services from space, applying advances in its technology to tackle global challenges and improve our life on Earth.

The Group's main operations are located in Sweden, the United Kingdom, the Netherlands, South Africa and the USA, with partner networks in Japan and South Korea.

AAC Clyde Space's shares are traded on Nasdaq First North Premier Growth Market. Erik Penser Bank AB, e-mail certifiedadviser@penser.se, telephone +46 8 463 83 00, is the Certified Adviser. The share is also traded on the US OTCQX-market under the symbol ACCMF.
