## DELTA ENVIRONMENTAL PROJECTS SIGNS AN ORDER FOR CONSTRUCTION SAND TO INDIA

**Delta Environmental Projects has signed a contract with Seyon pro PTE LTD., Singapore for customers in Bombay, Goa and Calcutta to deliver 200 000 MT sand.**

Delta Environmental Projects has signed a contract with Seyon pro PTE LTD, Singapore for customers in Bombay, Goa and Calcutta to deliver 200 000 MT construction sand.

This is a FOB order with good prices and the total order value of some 1,8 MUSD.

We will get an advance payment of 20%.

The supply will start with a trial shipment of 40 000MTs and is planned for early 2019.

The material will be used as construction material and will be produced in and around Surigao; Philippines.

*“I am very pleased that we now have this Indian order. The market and prices in India are very good.*

*We see this project a startup of several major projects-now in process- in India and in the region; through our good connections and good market prices.”*

says Håkan Gustafsson, CEO of Delta Environmental Projects AB
