## Urb-it partners with third-party logistics provider Futurlog to provide sustainable last mile delivery services in France

Urb-it is pleased to announce that it has signed a contract with the third-party logistics provider Futurlog to provide sustainable last mile delivery services around its network in France.

As a third-party logistics provider, Futurlog connects retailers to carriers through leading e-commerce platforms of Shopify, WooCommerce, Prestashop, Magento, and Amazon, and provides an end-to-end logistics solution for its clients. By adding Urb-it to its network, Futurlog can offer a truly sustainable last-mile delivery service to its customers.

Stephane Toutin, Country Manager of Urb-it France, comments:

"Through the partnership with Futurlog, Urb-it can offer its services to several clients through one integration. Ensuring that our services are easily accessible to small, medium, and large clients help us to further strengthen our position as a go-to provider for sustainable last-mile logistics in France, while strengthening the sustainable impact and end customer journey for the clients of our new partner".

### About Urb-it AB (publ) | B Corp certified

Urb-it is a rapidly growing sustainable logistics platform with a vision to transform urban logistics, one delivery at a time. We deliver urban logistics services that create a positive impact on society and the environment. We partner with brands to deliver the last mile sustainably and efficiently in urban areas across Europe.

Our customer-centric last mile delivery services are conducted by our employed couriers on our 100% e-cargo bike fleet. This reduces emissions, congestion, and noise pollution - creating healthier cities.

We are a B Corp certified business, meaning we meet and have committed to the highest verified standards of social and environmental performance. We are currently operating in urban areas in Europe's largest e-commerce markets – France, the UK and Spain. Our ambition is to expand into other major e-commerce markets across Europe in the coming years.

In 2022, Urb-it won Best Supply Chain Solution Award at The Retail Supply Chain & Logistics Expo.

Founded in 2014, Urb-it is a Swedish entrepreneurial company headquartered in Stockholm and listed on Nasdaq First North Growth Market. The company's Certified Adviser is Redeye AB.
