

Invitation to webcast with AAC Clyde Space CEO Luis Gomes on the Directed Share Issue

2025-06-30 AAC Clyde Space AB (publ)

AAC Clyde Space, a leading provider of small satellite technologies and space-based services, today announced a directed share issue of approximately SEK 64.5 million. The funding will help speed up important work: building VIREON satellites 3 and 4 (with the first two already under construction), expanding our maritime intelligence services, and strengthening our offering to the European defence and security sector.

To share more about the Company's strategic plans and answer questions, CEO Luis Gomes will take part in a live webcast today, Monday 30 June, at 14:00 CEST.

Watch the webcast live at 14:00 CEST here:

https://www.youtube.com/live/aJR9MvWfJXI?si=zYrcuwV7rwkqKltt

A recording will be available at the same link after the event.

Questions can be submitted during the webcast or in advance via email: investor@aac-clydespace.com.

The press release was published at 08:15 CEST and is available at:

ABOUT AAC CLYDE SPACE

AAC Clyde Space provides small satellite technologies and services that help governments, businesses and institutions access high-quality data from space. Covering satellite components, mission services and space-based data delivery, the company offers end-to-end solutions that turn space-based intelligence into real-world impact. Applications include weather monitoring, maritime safety, security and defence, agriculture and forestry.

AAC Clyde Space is headquartered in Uppsala, Sweden, with main operations also in the UK, Netherlands, South Africa and the USA. The company's shares are traded on Nasdaq First North Premier Growth Market in Stockholm (Ticker: AAC) and on the US OTCQX Market (Symbol: ACCMF). The Company's Certified Adviser is DNB Carnegie Investment Bank AB.
