About SDS

SDS is a Swedish international software company specializing in mobile payment services for mobile operators, distributors, retailers and consumers. SDS ensures that telecom operators can sell talk time, data and ancillary services where SDS products and services handle up to 90% of the telecom operator's sales. Today, SDS has implemented solutions in fintech, advanced analytics and Retail Value Management, and where these products have succeeded, they are transformed into so-called SaaS solutions.

SDS has approximately 190 employees in Sweden, Algeria, South Africa, Ghana, Nigeria, the United Arab Emirates, Bangladesh, Pakistan and India. SDS handles more than 15 billion transactions worth over \$14 billion annually. Through over 3 million monthly active retailers of digital products, more than 1100 million consumers are indirectly served globally.

SDS's share is listed on NGM Growth Market.
