Ulrika Bergström new CFO at Unibap

Ulrika Bergström will assume the position as Chief Financial Officer (CFO) at Unibap during the second half of 2018, no later than 4th of December 2018. The position is full time. The definitive starting date will be communicated via a press release at a later date when confirmed. Ulrika will also join the company's management team.

Ulrika Bergström joins Unibap leaving Swedavia where she worked as Group Accountant and Head of Accounting. Prior to that, she worked as an authorized accountant at Ernst and Young AB (E&Y) and for a number of years as head of office for E&Y's Uppsala office with about 40 employees.

Ulrika holds an Economics Master's degree with emphasis on accounting and auditing from Stockholm University.

- Ulrika has both a broad and deep experience of working with large and small companies. Her experience of communicating with important stakeholders, the market, and leading a growing administrative staff is in line with the phase Unibap is currently in. We are very pleased to welcome Ulrika to us, says CEO Fredrik Bruhn.

When Ulrika Bergström takes office in the second half of 2018, the current CFO Liselotte Söder leaves Unibap to focus on work in her own company. Until Ulrika Bergström joins the service, Liselotte Söder will continue as CFO.

- Liselotte Söder has been a major asset for the company during this period. As we enter the next phase of our growth, Liselotte has chosen not to continue as CFO but wants to focus on work in the company. We wish her all the best, says CEO Fredrik Bruhn.
