New Nordic Healthbrands AB (publ) was founded in 1990 and has been listed on Nasdaq First North Growth Market Sweden since 2007. The company's business concept is to offer the most effective and safe dietary supplements, natural medicines and cosmetic products for specific health and beauty needs. All with care for people and nature. New Nordic products are now available in 44 countries in pharmacies, health stores, beauty shops, and travel retail. New Nordic has its own small sales and marketing companies in most European countries, Canada and the United States, to organise local marketing campaigns, serve retailers and serve end customers. In 2025, revenues were SEK 576 million. Almost all New Nordic products sold worldwide are manufactured in Scandinavia. For more information, visit www.newnordic.com.
