

## AAC Clyde Space wins SEK 6.4 M order

**2023-11-27 AAC Clyde Space AB (publ)**

**AAC Clyde Space has won a EUR 0.55 million (approx. SEK 6.4 million) order for a Starbuck power system. The order is scheduled for final delivery during the fourth quarter of 2024.**

The AAC Clyde Space's Starbuck Mini power system was originally developed as part of a programme financed by the Swedish National Space Agency. These systems are now used extensively in a variety of space missions, offering industry leading, robust performance for small and medium sized satellites.
