EYE World AB (publ): Presents status update on 2026 Growth Plan

EYE World provides an update on the status of reaching the 2026 growth plan, which was presented on September 10, 2025. This update is published as EYE World's new capital raising advisor, Houlihan Lokey, now initiates its due diligence of EYE World ahead of the parties' upcoming collaboration. It is sufficient that 2 specific partners, out of EYE World's total of 24 existing partners, achieve their targets for the 2026 organic growth objectives to be met.

With the current 2026 plan, which also includes the ongoing acquisition process of a UK SaaS company in cybersecurity announced on August 27, 2025, Eye World has 24 active partners/resellers driving growth. In addition to these, either implementation or final negotiations are ongoing with another 15 partners during Q4 2025 and into 2026. Two of these partners together have the potential to reach the 2026 targets.

Summarized status of the 2026 growth plan:

- 2 specific partners with the combined potential to reach the 2026 targets
- 24 active and growing live partners
- 15 partners in the implementation phase or final negotiations
- 200 potential targets in the pipeline
