

Free2move Holding AB, 556705-0157

### **Free2move tar nya order på uppgraderad GLA.**

Free2move AB har på kort tid mottagit order på den nu uppgraderade volymprodukten GLA med senaste version av Bluetooth Classic. Det är en frukt av produktutvecklingen av nya enheter och uppgradering av tidigare produkter.

Ordervärdet överstiger en miljon kronor till ett flertal kunder.

#### ***About Free2move Holding AB***

*Free2move Holding markets high performance low energy wireless technologies under two brand names: Free2move and SensMaster.*

*Free2move is a leader in Bluetooth® products characterised by long-range, simplicity and low cost integration. Free2move's embedded modules are easy to in-design for customers, allowing for cost effective solutions of their products. Free2move designs complete integrated solutions with defined interface for data and audio communication.*

*SensMaster specialises in end-user products for identification (RFID), security and wireless sensing. SensMaster's products are employed in industries such as air transportation, manufacturing, oil & gas; typically in applications for asset tracking, security, safety and environmental monitoring.*
