#### **Certified Adviser:**

Partner Fondkommission AB (telephone 031-761 22 30, [www.partnerfk.se](http://www.partnerfk.se)) is the Company's Certified Adviser on Nasdaq First North Growth Market.

#### **Other:**

The company's shares are listed on Nasdaq First North Growth Market under the trade name "ARCT".

#### **About Arctic Minerals:**

The Arctic Minerals Group consists of the parent company Arctic Minerals with the two subsidiaries Norrbotten Exploration AB and Arctic Gold AB.

Arctic Minerals AB, the parent company, has previously been active in the area of exploration and mining development. As of autumn 2017, however, the company has served as the managing and coordinating parent company.

The Group currently has two business areas. Norrbotten Exploration AB conducts exploration activities in Finland. Arctic Gold AB holds mineral rights in the Bidjovagge field in Finnmark in northern Norway.
