#### **About SMART VALOR**

SMART VALOR is a Swiss company that became the first European digital asset exchange listed on Nasdaq First North. The company’s mission is to provide a trusted gateway to blockchain technology for investors and institutions. On the B2C side, it operates a retail digital asset exchange. On the B2B side, the company works with banks and fintech companies offering its technology as a white-label Crypto-as-a-Service solution. SMART VALOR was one of the first crypto companies to be registered as an exchange and token custodian under the Blockchain Act of Liechtenstein.
