Move About Group AB in brief

Move About offers app-based, environment friendly, and cost-efficient mobility solutions to individuals, businesses, municipalities, and organizations. The Company has developed and owns all immaterial rights to the cloud-based green tech platform which gives digital access to electric cars, electric bikes, taxi, subway, and parking, all through the same app – around the clock. Every kilometer the user travels with the electric cars via the platform reduces CO₂ emissions.

The Company's extensive mobility solutions is built upon the Move About-app which gives the user access to the Company's pools of electric cars, bikes, and scooters. Move About also assists companies, municipalities, and organizations to optimize their vehicle fleets by tailoring mobility solutions based on needs.

Move About was founded in Oslo, Norway, 2007 and has over 58,500 users today on their platform, and over 730 electric cars in the Company's vehicle fleet with presence in Sweden, Norway, and Germany.

Important information

This press release is not, and does not form part of, an offer to sell, or a solicitation of an offer to buy or acquire, any shares or other securities of the Company.

Copies of this press release are not being made and may not be distributed or otherwise sent to the United States, Australia, Canada, Hong Kong, Japan, New Zealand, Singapore, South Africa, South Korea, Switzerland or any other jurisdiction in which such action may constitute a criminal offence or would require registration or other action.

The securities described in this press release have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold in the United States absent registration or an exemption from registration under the Securities Act and applicable state securities laws of the United States. The Company does not intend to register any part of the offering in the United States or to offer the securities to the public in the United States.

Any offering of the securities referred to in this communication will be made by way of an EU growth prospectus. This communication does not constitute a prospectus within the meaning of Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 (the "Prospectus Regulation"). Investors should not invest in the securities described in this communication on the basis of any information other than that contained in the aforementioned prospectus.

In the EEA Member States, other than Sweden, Norway and Finland, this communication is only intended for and addressed to qualified investors within the Member State in the sense of the Prospectus Regulation, i.e. only to investors who may be the recipients of any offer without a prospectus being filed in the Member State.

Issues discussed in this press release may contain forward-looking statements. Forward-looking statements are statements that do not relate to historical facts and events and statements that relate to the future and include, for example, words such as "believes", "estimates", "expects", "anticipates", "assumes", "anticipates", "intends", "may", "will", "will", "should", "estimates", "believes", "may", "plans", "continues", "potential", "estimates", "forecasts", "as far as is known" or

similar expressions. In particular, these statements relate to future results of operations, financial condition, cash flows, plans and expectations for the Company's business and management, future growth and profitability and general economic and regulatory environment and other factors affecting the Company, many of which in turn are based on additional assumptions, such as that no changes in existing policies, legal, tax, market or economic conditions or in applicable laws occur (including, but not limited to, accounting principles, accounting methods and tax policies), which individually or in combination could have a material effect on the Company's results of operations or its ability to conduct its business. Although the Company believes that these assumptions were reasonable when made, they are inherently subject to significant known and unknown risks, uncertainties, contingencies and other important factors that are difficult or impossible to predict and that may be beyond the Company's control. Such risks, uncertainties, contingencies and other important factors could cause actual events to differ materially from the expectations expressed or implied by such forward-looking statements.

Accordingly, potential investors should not place undue reliance on the forward-looking information contained herein, and potential investors are urged to read those parts of the EU growth prospectus that include a more detailed description of factors that may affect the Company's business and the market in which the Company operates.

The information, positions and forward-looking statements contained in this press release speak only as of the date of this press release, and are subject to change without notice.
