EYEON GROUP AB (publ): The Board has decided to move forward the publication of Interim report 3 to October 18, 2024

The Board of Eyeonid Group AB has today decided to move forward the Interim report 3 to October 18. The previously communicated date was October 28.

The reason for this decision is that the company is in an intense period with a focus on expansion, alongside a process to change stock market listing, and therefore sees advantages in moving the publication of the report forward.
