

Press release April 18th 2024, 08:08 CET

Teqnion to release 2024 Q1 interim report, hold Q&A, AGM and changes reporting language to English

Teqnion is scheduled to release its 2024 Q1 interim report on Tuesday the 23rd of April at 08:08. As a growing number of our fellow shareholders and businesses are international we have changed our reporting language to English.

An open Q&A in English will be held the same day at 09:38 where Johan and Daniel will be participating. We will be addressing questions that have been e-mailed to QA@teqnion.se and there will also be an opportunity to send in questions live through the Teams chat function. The session will be recorded and uploaded to the [Teqnion Youtube channel](#) within a week after the session. The link to the Q&A session is to be found [here](#) or below.

Meeting ID: 349 543 557 47

Passcode: oSTF2A

The Teqnion AGM is taking place as a physical event later the same day at 11:08 CET. More information about the AGM can be found [here](#).

Welcome!

About Teqnion

Teqnion AB is an industrial group that acquires stable niche companies with good cash flows to develop and own with an eternal horizon. The subsidiaries are managed decentralized with support from the parent company. We operate in the majority of industries with leading products, which gives us good resistance to economic fluctuations as well as solid industrial know-how. For us, it is central to focus on profitability and long-term sustainable business relationships. Teqnion's shares TEQ are traded on the Nasdaq First North Growth Market.

Redeye AB is Certified Adviser.
