RICKARD RIBLOM LEAVES ADVENTURE BOX TECHNOLOGY AB

Rickard Riblom was, until the acquisition of the Danish computer game developer Multiverse ApS, CEO of Adventure Box Technology AB (publ), and has since remained in the management team of the company. Rickard has now announced that he intends to leave the company.

"Now the company has a well-functioning and highly appreciated game platform with a very large user base while having different types of cash flows into the company. It feels good to leave the company at this stage. I am proud of what we have accomplished in the company and want to thank the board and the shareholders for their confidence," said Rickard Riblom.

Örjan Frid, Chairman of the Board of Adventure Box Technology AB, adds:

"Rickard has restructured the company and successfully acquired the Danish gaming platform Kogama. Rickard has thereby put the company in a significantly better position in the global market for online games. We thank Rickard for a job well done and wish him all the best in the future."
