

## AAC Clyde Space receives SEK 12.1 million satellite order

**2023-10-03 AAC Clyde Space AB (publ)**

**AAC Clyde Space has won a GBP 0.902 million (approx. SEK 12.1 million) order for a 3U satellite. The satellite is scheduled for delivery in Q4 2024.**

The satellite will be equipped with a VDES (VHF Data Exchange System) payload. VDES was developed to meet the increasing need for data communication between maritime users, providing faster data transfer rates with greater integrity than current VHF data link systems.
