

Press release 2020-08-25

Acconeer receives order from Chinese BEYD worth 164 000 USD

The order relates mainly to Acconeer's A1 radar sensor and will be used to serve customers in China. The order is Acconeer's largest so far.

Lars Lindell, CEO Acconeer, comments: "This order indicates that our Chinese customers are starting to come back to business after a decline related to the Covid-19 pandemic. We are very happy to see that our successful collaboration with BEYD continues to contribute to our sales."

About Acconeer AB

Acconeer is a leading radar sensor company based in Lund, south Sweden, in Ideon, the country's hottest region for wireless technologies. Acconeer is developing a truly leading ultra-low power, high precision 3D sensor which will revolutionize the way that mobile devices interpret their surroundings. Acconeer's ultra-low power and millimeter precision sensor will be a robust and cost-effective solution for applications ranging from virtual reality and gaming to security and robot control. Information from the sensor can also be used to identify different materials, these are just some examples of the wide range of possibilities of application areas for the sensor. Acconeer is listed on Nasdaq First North Growth Market with the ticker code ACCON, Redeye is the company's Certified Advisor (CA) and can be reached via telephone +46 (0)8 121 576 90 or via mail certifiedadviser@redeye.se.
