EYEON GROUP AB (publ): EyeonGroup signs reseller agreement with Youtec Systems GmbH regarding B2B

EyeonGroup has signed a reseller agreement with Youtec Systems GmbH ("Youtec") for the resale of its B2B service.

Youtec is an IT company based in Switzerland that provides IT solutions and services to businesses. Youtec has been a partner with Switzerland's largest telecom operator, Swisscom, for several years and has helped over 9,000 companies in Switzerland since its founding in 2017. Youtec's customer base is attractive for EyeonGroup's B2B service as it provides access to potential customers of various sizes. This also strengthens EyeonGroup's position in the Swiss market.

EyeonGroup and Youtec have now signed a reseller agreement where both parties will sell EyeonGroup's B2B service to Youtec's corporate customers. This opens up opportunities for EyeonGroup to reach more potential B2B customers. The agreement is structured according to a "revenue share" model, where EyeonGroup and Youtec share the revenue.
