

## **Frontwalker AB (publ) Announces Strategic Partnership with Tech Arena 2026**

Stockholm, Sweden - February 9<sup>th</sup>, 2026

**Frontwalker AB (publ), a rapidly growing Swedish company specializing in digital transformation and innovation, has announced its official partnership with Tech Arena 2026-one of Scandinavia's largest technology and business events-taking place on February 11-12, 2026 in Stockholm.**

As part of the partnership, Frontwalker will host a high-energy Pitch Pong session, where more than 40 startup founders will each have 100 seconds to pitch their ventures to investors, industry leaders, and ecosystem partners. The fast-paced format is designed to highlight innovative ideas and enable direct engagement between startups and decision-makers.

The collaboration positions Frontwalker at the center of the Nordic tech ecosystem, offering a platform to showcase its expertise in AI, data analytics, business resilience, and digital innovation, while supporting emerging founders and next-generation companies.

Tech Arena has established itself as a key meeting point for global innovation, bringing together thousands of entrepreneurs, executives, and investors. The 2026 edition is expected to attract over 12,000 participants from across Europe and beyond, featuring hundreds of speakers, curated networking sessions, and partner-led initiatives.

Through this partnership and the Pitch Pong initiative, Frontwalker reinforces its commitment to fostering innovation, accelerating startup growth, and strengthening connections across the Nordic and international tech communities.
