Urb-it's sustainable last mile delivery services available through leading delivery management system nShift

Urb-it, the rapidly growing sustainable logistics platform, announces its sustainable last mile delivery services are now available through nShift. Handling close to 1 billion parcels per year, nShift is the result of a merger between leading platforms Consignor, Unifaun, Transsmart, Webshipper and Returnado.

With close to 500 integrations into e-commerce, ERP and WMS systems, a library of 1000+ carriers worldwide and serving customers including leading brands like Superdry, Revolution Race, RNB Retail and Harvey Nichols, nShift is a global leader in delivery management, enabling brands to offer a better delivery experience for their customers.

Kevin Kviblad, CEO Urb-it said:

“Through a global partner like nShift, we continue executing on our strategy and can offer our truly sustainable last-mile delivery services towards a range of leading, European brands. This supports our current growth plans and ambitions, while simultaneously strengthen our position for future, international expansion. The partnership furthermore releases our commercial pipeline, as the technical go live lead time decreases from months or even quarters, to days.”

About Urb-it AB (publ) | B Corp certified

Urb-it is a rapidly growing sustainable logistics platform with a vision to transform urban logistics, one delivery at a time. We deliver urban logistics services that create a positive impact on society and the environment. We partner with brands to deliver the last mile sustainably and efficiently in urban areas across Europe.

Our customer-centric last mile delivery services are conducted by our employed couriers on our 100% e-cargo bike fleet. This reduces emissions, congestion, and noise pollution - creating healthier cities.

We are a B Corp certified business, meaning we meet and have committed to the highest verified standards of social and environmental performance. We are currently operating in urban areas in Europe's largest e-commerce markets – France, the UK and Spain. Our ambition is to expand into other major e-commerce markets across Europe in the coming years.

In 2022, Urb-it won Best Supply Chain Solution Award at The Retail Supply Chain & Logistics Expo.

Founded in 2014, Urb-it is a Swedish entrepreneurial company headquartered in Stockholm and listed on Nasdaq First North Growth Market. Find out more at urb-it.com.
